

## **DICOM Viewer Quick Start Job Aid**

## **Study Search and Filtering**

- A. Search and filter for specific patients and studies
- B. Select a tab to use a pre-defined worklist (worklists vary by site)
- C. Click the door icon to logout
- D. Click on the column headers to sort the worklist

Note: If a patient is marked as confidential and you do not have user privileges to view confidential patients, then patients marked as confidential are not included in your search results or in Study Lists.
